PRESENTING THE NEXT GENERATION OF MIXERS

UNPARALLELED CONVENIENCE & EFFICIENCY FOR EVERY KITCHEN

The new line of mixers has been meticulously engineered based on extensive consumer insights and feedback from across India. We proudly introduce an entirely new series of mixers featuring 750W and 800W models specifically designed to address consumers' precise needs for convenience and efficiency.

Our commitment to delivering an exceptional grinding experience is underscored by our innovative **Powertron motor and Motor Vent X technology**, which enable **continuous grinding for up to 45 minutes***, showcasing their **robustness and durability**. With **MaxiGrind technology**, these mixers provide the finest grinding experience possible. Ensuring the safety of your culinary creations with our **100% food grade*** jars.

We understand that versatility is key, which is why we provide a **specialized chutney jar equipped with a cool-to-touch feature**, and a **Blend and Carry Smoothie Mix jar with an ice-crushing function**. These thoughtful additions cover a wide spectrum of consumer needs, making our mixers the ultimate kitchen companions.

Furthermore, we take pride in offering these exceptional features at an ensuring that our mixers not only meet but also exceed your expectations in terms of both functionality and affordability.

*As per internal lab validation.

REASONS TO BUY CROMPTON MIXER GRINDER

45 Min of Continuous Grinding*

Grinds the toughest of the ingredients continuously without interruptions.

Powerton Motor

Optimizes the energy usage and delivers convenience of grinding.

Maxi Grind Technology

Unique blade and jar contour design ensures maximum grinding results.

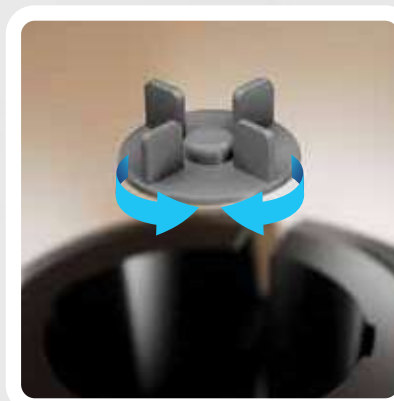

Easy to Clean

The single leaf flat blades and glossy finish ensure the ease of cleaning.

2X Durability

Durable nylon couplers with metal inserts for everyday usage.

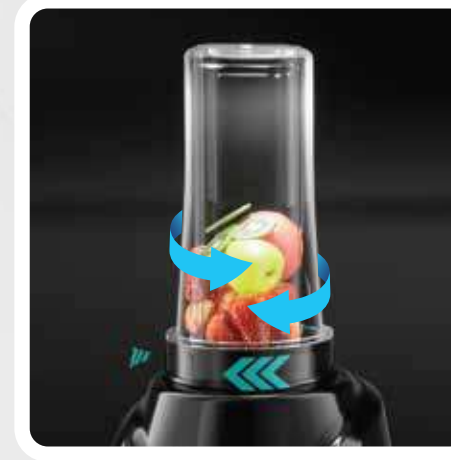

*45 minutes of continuous operation performed with every 2 minutes of cleaning/refilling time (OFF) and every 3 minutes of grinding (ON) operation. Based on the internal lab validation on the hard ingredients such as Urad Dal.

Crompton

Smoothie Mix Jar

Quick and portable Smoothie Mix Jar for refreshing smoothies & shakes every day.

Juicer Jar

1.5L Juicer jar with fruit filter to extract the most out of the fruits.

Cool Mix Jar

Complete ease of grinding with wiper and cool touch casing with cool mix jar.

100% Food Grade Jars

Jars for hygienic food preparation and healthy lifestyle.

Lid Locking Mechanism

Lid locking mechanism ensure spill proof and hands free usage.

*As per internal lab validation. T&C apply

MIXER GRINDER

CROMPTON MIXERS ARE UNIQUE BLEND OF ADVANCE TECHNOLOGY AND FUNCTIONAL AESTHETIC DESIGN.

SUPERIOR TECHNOLOGY

- 

Powertron Motor for Longer Usage
Powertron motor delivers maximum grinding results by optimising energy usage.
- 

MaxiGrind Technology
Innovative jar and blade design for faster, superior grinding with minimal dead spaces.
- 

100% Copper Motors
Copper's conductivity keeps motor cool during extended use.
- 

45-min continuous grinding*
Ensures extended operation for tough ingredients.
- 

2x durability
Nylon couplers with metal inserts for 2x durability.
- 

Cool mix jar
Chutney Jar with 360° rotating Wiper lids, enhancing grinding efficiency.
- 

Smoothie mix jar
Innovative ice crushing tech for convenient smoothie storage and portability.
- 

Overload Protection
Safeguards against overload, blockage, and includes resettable protector for motor cutoff.
- 

Motor Vent-X Technology
Body and motor designed for enhanced airflow, reducing temperature and extending product lifespan.

UNIQUE PRODUCT DESIGN

- 

Stainless Steel Jars
The premium quality jar body is anti-corrosive.
- 

Ergonomic Jar Handles
Comfortable handle space and better grip.
- 

Easy clean
Its unique design with smooth contours makes it easy for cleaning.
- 

Leakage Free Jars
The superior leak proof material ensures zero leakage while in operation.
- 

Chrome Plated Knob
Lends a premium touch to its visual appeal.
- 

Firm Cushion Pads
Prevents mixer from moving while in operation.

*As per internal lab validation. T
